This part prescribes regulations based on section 646 of the Head Start Act, 42 U.S.C. 9841, as it applies to grantees and current or prospective delegate agencies engaged in or wanting to engage in the operation of Head Start programs under the Act. It prescribes the procedures for appeals by current and prospective delegate agencies from specified actions or inaction by grantees. designated as a Head Start agency under 42 U.S.C. 9836 and which has been granted financial assistance by the responsible HHS official to operate a Head Start program.

Interim Grantee means an agency which has been appointed to operate a Head Start program for a period of time not to exceed one year while an appeal of a denial of refunding, termination or suspension action is pending.

Suspension of a grant means temporary withdrawal of the grantee's authority to obligate grant funds pending corrective action by the grantee.

Termination of a grant or delegate agency agreement means permanent withdrawal of the grantee's or delegate agency's authority to obligate previously awarded grant funds before that authority would otherwise expire. It also means the voluntary relinquishment of that authority by the grantee or delegate agency. Termination does not include:

- (1) Withdrawal of funds awarded on the basis of the grantee's or delegate agency's underestimate of the unobligated balance in a prior period;
- (2) Refusal by the funding agency to extend a grant or award additional funds (such as refusal to make a competing or noncompeting continuation renewal, extension or supplemental award);

§ 1303.3 Right to attorney, attorney fees, and travel costs.

(a) All parties to proceedings under this part, including informal proceedings, have the right to be represented by an attorney.

(1) Attorney fees may be charged to the program grant in an amount equal to the usual and customary fees charged in the locality. However, such fees may not exceed \$250.00 per day, adjusted annually to reflect the percent-age change in the Consumer Price Index for All Urban Consumers (issued by the Bureau of Labor Statistics) beginning one year after the effective date of these regulations. The grantee or delegate agency may use current operating funds to pay these costs. The fees of only one attorney may be charged to the program grant with respect to a particular dispute. Such fees may not be charged if the grantee or delegate

agency has an attorney on its staff, or if it has a retainer agreement with an attorney which fully covers fees connected with litigation. The grantee or delegate agency shall have the burden of establishing the usual and customary fees and shall furnish documentation to support that determination that is satisfactory to the responsible HHS official.

(2) A grantee or delegate agency may designate up to two persons to attend and participate in proceedings held under this Part. Travel and per diem costs of such persons, and of an attorney representing the grantee or dele-gate agency, shall not exceed those allowable under Standard Governmental Travel Regulations in effect at the time of the travel.
